Update from legal counsel representing SDRMA (the District's insurance agency), regarding the Solomon vs. DHCD case.

The Court of Appeal issued today the remittitur of the case back to the trial court. We have 40 days (April 16, 2018) to file our motion for additional attorney's fees. We will prepare the motion for additional attorney's fees and advise as to when the matter is set for hearing.

Plaintiff's counsel advised that he intends to file a writ of cert with the U.S. Supreme Court. Should we receive a pleading from plaintiff's counsel seeking a writ of cert to the U.S. Supreme Court, we will advise immediately. A writ to the U.S. Supreme Court will not increase the time frame for filing our motion for additional attorney's fees.
