INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management
Desert Healthcare Foundation
1140 North Indian Canyon Drive
Palm Springs, CA 92262

Opinion

We have audited the accompanying financial statements of Desert Healthcare Foundation (the Foundation) (a California nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2024, and the changes in net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 25, 2024, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the Foundation's financial statements as of and for the fiscal year ended June 30, 2023, and expressed an unmodified audit opinion on those audited financial statements in our report dated September 8, 2023. In our opinion, the summarized comparative information presented herein as of and for the fiscal year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

DESERT HEALTHCARE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

WITH COMPARATIVE TOTALS AT JUNE 30, 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Desert Healthcare Foundation (Foundation), a not-for-profit organization, is a health and welfare organization created to identify the health care needs of the Desert Healthcare District (District) and to work toward treating those needs through various programs and services. The Foundation is a component unit of the District due to the nature and significance of their relationship with the District. The Foundation operates primarily in the Coachella Valley area of Southern California and, as such, is subject to market conditions, which could affect charitable giving and the realization of recorded asset values at various times.

Basis of Accounting

The Foundation uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this method, revenues are recognized when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of related cash flows.

Financial Statement Presentation

The financial statements of the Foundation have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 958-205, Not-for-Profit Entities, Presentation of Financial Statements. During 2018, the Foundation adopted the provisions of Accounting Standards Update (“ASU”) 2016-14: Not-for-Profit-Entities (Topic 958) Presentation of Financial Statements for Not-for-Profit Entities. In addition, the Foundation is required to present a statement of cash flows and a statement of functional expenses. Net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation and changes therein are classified as follows:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. The Foundation’s board may designate assets without restrictions for specific operational purposes from time to time.

Net Assets Without Donor Restrictions – Board Designated: These funds represent all resources over which the Board of Directors has discretionary control for use in operating the Foundation. The Board of Directors designated funds were \$1,477,916 and \$1,544,156 as of June 30, 2024 and 2023, respectively.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Foundation has net assets with donor restrictions of \$1,372,850 and \$1,550,138 at June 30, 2024 and 2023, respectively.

DESERT HEALTHCARE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

WITH COMPARATIVE TOTALS AT JUNE 30, 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Facilities and Services

The District has provided to the Foundation the use of its office facilities at no charge. The value of the on-site facilities is not reflected in these statements, as they do not meet the criteria for recognition. For the fiscal year ended June 30, 2024 the District allocated to the Foundation \$449,805 related to personnel charges. See Note 8 for more details.

Contributions

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net position released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

Investments are stated at fair value. Realized and unrealized gains and losses on investments are recognized as changes in net assets in the periods in which they occur.

Income Taxes

The Foundation is a not-for-profit organization that is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3), and from California franchise taxes under related state tax regulations and classified by the Internal Revenue Service as other than a private foundation. The Foundation may be subject to tax on income from any unrelated business operations. The Foundation does not currently have any unrelated business operations. The Federal and State income tax returns are subject to examination over three and four years, respectively. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management analyzed the tax position taken by the Foundation and has concluded that as of June 30, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

DESERT HEALTHCARE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

WITH COMPARATIVE TOTALS AT JUNE 30, 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Prior Fiscal Year Summarized Comparative Information

The financial statements include certain prior fiscal year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the prior fiscal year, from which the summarized information was derived.

Leases

The Foundation has adopted FASB ASC Topic 842, *Leases*, with a date of initial application of July 1, 2022. For leases with a lease term greater than one year, the Foundation recognizes a lease asset for its right to use the underlying leased asset and a lease liability for the corresponding lease obligation. The Foundation determines whether an arrangement is or contains a lease at contract inception. Operating leases with a duration greater than one year are included in operating lease right-of-use assets, current portion operating lease liabilities, and operating lease liabilities, net of current portion in the Foundation's balance sheet at June 30, 2024. Operating lease right-of-use assets and operating lease liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. In determining the present value of lease payments, the Foundation uses a risk-free rate of a period comparable with that of the lease term. The Foundation considers the lease term to be the noncancelable period that it has the right to use the underlying asset, including all periods covered by an option to (1) extend the lease if the Foundation is reasonably certain to exercise the option, (2) terminate the lease if the Foundation is reasonably certain not to exercise that option, and (3) extend, or not to terminate, the lease in which exercise of the option is controlled by the lessor. The Foundation had no leases as described in FASB ASC 842 as of June 30, 2024.

New Accounting Pronouncement

Effective July 1, 2023, the Foundation adopted the provisions of FASB ASU 2016-13 *Financial Instruments- Credit Losses (Topic 326); Measurement of Credit Losses on Financial Instruments*. The amendments in this update requires organizations to measure all expected credit losses for financial instruments held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. The new guidance affects organizations that hold financial assets and net investments in leases that are not accounted for at fair value with changes in fair value reported as net income. The new guidance also affects loans, debt securities, trade receivables and any other financial assets not excluded from the scope that have the contractual right to receive cash. Adoption of this standard had no effect on the Foundation for the fiscal year ended June 30, 2024.

DESERT HEALTHCARE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

WITH COMPARATIVE TOTALS AT JUNE 30, 2023

2. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Financial assets:		
Cash and investments	\$ 1,533,326	\$ 479,488
Investments	3,868,092	4,429,454
Grants receivable	22,587	183,530
Accrued interest and dividend receivable	7,849	14,345
Contributions receivable - CRT	<u>195,054</u>	<u>196,140</u>
Total financial assets	5,626,908	5,302,957
Less financial assets held to meet donor-imposed restrictions:		
Donor-restricted funds (Note 7)	(1,372,850)	(1,550,138)
Board-designated funds (Note 1)	(1,477,916)	(1,544,156)
Interest in charitable remainder trust (Note 5)	<u>(195,054)</u>	<u>(196,140)</u>
Amount available for general expenditures within one year	<u>\$ 2,581,088</u>	<u>\$ 2,012,523</u>

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, 2024.

The above table reflects donor-restricted and board-designated funds as unavailable because it is the Foundation's intention to invest resources for the long-term support of the organization. However, in the case of need, the Board of Directors could appropriate resources from the purpose-restricted funds available for general use. As part of the Foundation's liquidity management plan, they invest cash in excess of daily requirements in short-term investments (Note 3).

3. CASH AND INVESTMENTS

Demand Deposits

The carrying amounts, at June 30, 2024, of the Foundation's cash on hand was \$237, cash deposits was \$1,467,189, and money market funds were \$65,900. Bank balances were \$1,485,413 at June 30, 2024. Occasionally, the Foundation's cash balance in banks exceeds the Federal Deposit Insurance Corporation's insurance limits. At June 30, 2024, the Foundation's cash balance in banks exceeded the Federal Deposit Insurance Corporation's insurance limits in the amount of \$1,235,413.

DESERT HEALTHCARE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

WITH COMPARATIVE TOTALS AT JUNE 30, 2023

3. CASH AND INVESTMENTS (CONTINUED)

Investments

At June 30, 2024, investments consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>	<u>Unrealized Gain (Loss)</u>
Corporate bonds	\$ 516,918	\$ 484,807	\$ (32,111)
U.S. Treasury notes	426,260	365,791	(60,469)
Marketable securities	<u>2,307,007</u>	<u>3,017,494</u>	<u>710,487</u>
Total Investments	<u>\$ 3,250,185</u>	<u>\$ 3,868,092</u>	<u>\$ 617,907</u>

At June 30, 2023, investments consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>	<u>Unrealized Gain (Loss)</u>
Corporate bonds	\$ 1,259,479	\$ 1,152,794	\$ (106,685)
U.S. Treasury notes	765,870	654,290	(111,580)
Marketable securities	<u>2,031,124</u>	<u>2,622,370</u>	<u>591,246</u>
Total Investments	<u>\$ 4,056,473</u>	<u>\$ 4,429,454</u>	<u>\$ 372,981</u>

4. FAIR VALUE MEASUREMENTS

The Foundation applies Generally Accepted Accounting Principles (US GAAP) for fair value measurements of financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis.

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Foundation has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

DESERT HEALTHCARE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024

WITH COMPARATIVE TOTALS AT JUNE 30, 2023

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

At June 30, 2024, all investments are measured at fair value on a recurring basis and were valued at Level 1 inputs (quoted prices in active markets for identical assets). Fair value for investments at June 30, 2024 was \$3,868,092. (See Note 3)

5. CHARITABLE REMAINDER TRUSTS

The Foundation was named beneficiary to two charitable remainder unitrusts (whose trustees are someone other than the Foundation), both of which are recorded at fair value. The balances at June 30, 2024 and 2023 amounted to \$195,054 and \$196,140, respectively, and the general terms of the two trusts are as follows:

Trust 4 (dated October 3, 1989): The lesser of the trust income or 8% of the net fair market value of trust assets is to be distributed to the life beneficiary annually. Upon the death of the life beneficiary, 50% of the principal and income not required to have been distributed to the life beneficiary shall become the property of the Foundation, to be used for cancer treatment, or for general purposes if a cure for cancer has been found. At December 31, 2024, which is the most current information available, the estimated present value of future cash flows was \$114,737.

Trust 7 (dated May 17, 1990): 8.5% of the net fair market value of trust assets is to be distributed to the life beneficiary annually. Upon the death of the life beneficiary, all of the principal and income not required to have been distributed to the life beneficiary shall become the property of the Foundation, to be used for general purposes. The estimated present value of future cash flows at June 30, 2024 was \$80,317.

8. RELATED PARTY TRANSACTIONS

The Foundation and the Desert Healthcare District are related parties. The Foundation is organized to provide health and welfare assistance to Coachella Valley residents in need. During the fiscal year ended June 30, 2024, the District provided the Foundation with personnel services in the amount of \$449,805, of which \$335,013 is included in management and general expenses and \$114,792 is included in grants and social services expenses.

In 2020, the Desert Healthcare Foundation created the Coachella Valley Equity Collaborative (CVEC), a group of community-based organizations (CBOs). The Foundation is the recipient of external grant funds directly related to COVID-19 testing, vaccinations, and community education. The Foundation awards grants to the CBOs, directly and indirectly through other grantees. The Foundation's prior CEO's wife is the associate director of one of the CBO's, Vision y Compromiso. The cumulative total of grants awarded to Vision y Compromiso were \$572,000. Total grant funds expended to Vision y Compromiso for the year ended June 30, 2024 and 2023 amounted to \$370,625 and \$0, respectively. During the 2023-2024 fiscal year, the prior CEO's contract was terminated.

9. SUBSEQUENT EVENTS

The Foundation evaluated all potential subsequent events as of September 25, 2024 when the financial statements were authorized and available to be issued. No subsequent events or transactions were identified after June 30, 2024 or as of September 25, 2024 that require disclosure to the financial statements.
