ATTEST: _____

Mark Matthews, Chairman Finance and Administration Committee/Treasurer
Desert Healthcare District Board of Director

Date: March 27, 2018

TO: Board of Directors

RE: \$38,210.25 Bequest

BACKGROUND

On January 22, 2018 District/Foundation staff received information from Desert Regional Medical Center that DRMC had received \$38,210.25 as a bequest from the estate of Eva Marie Rozvoda.

The estate had listed Hospice of the Desert Communities as a residuary beneficiary, which is no longer a viable entity and \$114,630.75 was allocated to that charity. Hospice of the Desert Communities was an entity that was operated by the Desert Hospital Foundation when the District was operating the Hospital. The entity was later discontinued.

Healy & Healy, Attorneys at Law, representing the estate of Eva Marie Rozvoda, filed a petition with the court authorizing a distribution of the funds equally to DRMC, Eisenhower Medical Center and JFK Memorial Hospital to use the funds for their hospice program, or if they did not have it, to use it to assist *indigent* patients. (*Indigent*: an indigent person is extremely poor, lacking the basic resources of a normal life. Often the indigent lack not only money but homes.¹)

The \$114,630.75 was divided by three and DRMC received \$38,210.25.

The District's CFO has requested from DRMC that the check be processed to the Desert Healthcare Foundation. DRMC is requesting that the funds be utilized towards the Social Services Fund specific to DRMC indigent patient services.

The Desert Healthcare Foundation's Social Services Fund was established with the objective to assist financially underinsured or non-insured patients at local hospitals and cancer centers (DRMC- Desert Regional Medical Center; EMC – Eisenhower Medical Center; CCC – Comprehensive Cancer Center at DRMC; LCCC – Lucy Curci Cancer Center at EMC) with **emergent** healthcare needs and services determined by hospital case management counselors.

Finance & Administration (F&A) Committee Meeting – March 13, 2018

Staff recommended the following two options to the F&A Committee. The Committee approved Option 1 and recommended forwarding to the Board for approval.

STAFF RECOMMENDATION

Two options:

Option 1: The funds be placed in the Desert Healthcare Foundation's Social Service Fund and be allocated specific to indigent patients

Option 2: The funds be placed in the Desert Healthcare Foundation's West Valley Homelessness Initiative Collective Fund to be allocated to indigent/homeless west valley residents receiving services.

Re: Estate of Eva Marie Rozvoda

Gentlemen:

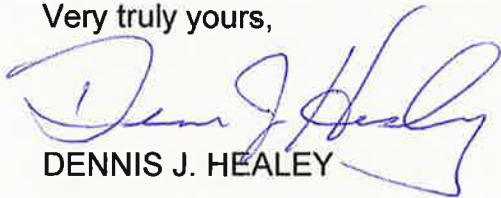

Please be advised that the above-captioned estate had listed Hospice of the Desert Communities as a residuary beneficiary, unfortunately it is no longer a viable entity and \$114,630.75 was allocated to that charity.

Accordingly we filed a petition with the court authorizing a distribution of the funds to Eisenhower Medical Center, Desert Regional Medical Center and JFK Memorial Hospital to use the funds for their hospice program, or if they did not have it, to use it to assist indigent patients.

Please find enclosed a copy of the petition and a check in the amount of \$38,210.25 for you to use for your hospice program or to allocate among indigent patients.

Please acknowledge the payment by signing the enclosed Receipt of Distribution and returning it to our office in the enclosed envelope.

Very truly yours,

DENNIS J. HEALEY

DISTRIBUTION

[Prob. C §9611]

Dept.: 1A

RECEIVED

The AMENDED PETITION FOR INSTRUCTIONS, CONCERNING HOSPICE DISTRIBUTION, filed by Jeannette Bagwell and Frances Nassau, as co-executors of the will of Eva Marie Rozvoda, deceased, concerning the distribution of certain funds allocated to Hospice of the Desert Communities, came on regularly for hearing on September 21, 2017, before the Honorable JAMES A. COX, Judge presiding. The Court having reviewed the Petition finds:

1. Decedent died on May 25, 2013, a resident of Riverside County, California.
2. Decedent's will was admitted to probate by this Court on December 17, 2013.
3. On August 6, 2015, this Court granted Order on First and Final Report of Personal Representative; Petition for Final Distribution on Account.

1 4. All distributions both of funds and tangible personal property were made as
2 ordered, however the check sent to Zdina Sinkuroba, in the amount of \$25,000.00, and the
3 check sent to Liba Fliek, in the amount of \$25,000.00 were returned as undeliverable.
4

5
6 5. The Petitioners caused an heirship search which was conducted by
7 HeirsSearch.com, and based upon the facts stated above and the results of the Research
8 Summary, the Petitioners believed that both Zdina Sinkuroba and Liba Fliek are deceased
9 and there are no living issue. The Court determined that since they were alive at the
10 inception of the Estate that their funds should be deposited with the State Controller's
11 office, which has been done.
12

13
14 6. One of the residuary beneficiaries, "Hospice of the Desert Communities," is
15 no longer a viable entity. It was once affiliated with Desert Hospital, but it is no longer in
16 business. There is \$114,630.75 allocated to that charity. There are numerous hospices in
17 the Coachella Valley at this time. Letters were sent to each of them to show proof of their
18 non-profit status by July 1, 2017. The Petitioners did not received any replies. Since the
19 Petitioners believe that the Decedent had the intent to distribute the funds to a charitable
20 institution, the Petitioners and the Court agree that an equitable resolution would be to
21 divide this share equally among Desert Regional Medical Center, Eisenhower Medical
22 Center, and JFK Memorial Hospital and specify that it be used for their Hospice programs,
23 or if none to assist indigent patients.

GOOD CAUSE APPEARING, IT IS ORDERED THAT:

A. The Court authorizes the Petitioners to distribute the 50% residuary share of the Estate that was bequeathed to "Hospice of the Desert Communities," which is no longer a viable entity, equally among Desert Regional Medical Center, Eisenhower Medical Center, and JFK Memorial Hospital and specify that it be used for their Hospice programs, or if none to assist indigent patients.
